

EAA Compliance Action Pack 2025

- for business owners

Quick steps to keep your business EAA-compliant.

- ☐ List every product, service and customer touch-point covered by the EAA
- ☐ Set budget and timeline; look for EU or local grants (e.g., PARP)
- ☐ Add a “must be accessible” clause to all new supplier contracts
- ☐ Assign a Digital Accessibility Lead to own delivery
- ☐ Give each team a 1-hour accessibility training session
- ☐ Commission or run an external audit to benchmark progress
- ☐ Publish a brief accessibility statement on your website
- ☐ Open a feedback channel for users to report issues
- ☐ Review progress quarterly and update stakeholders
